Change....that's what comes to mind when thinking about the last 12 months. While some changes have a global reach, others hit much closer to home. Like the rest of the world, Binnewater is learning to adapt to these changes.

Our unwavering commitment to providing you, our customer, with top quality products and exceptional customer service will never change. These have been company priorities since the start over 111 years ago. They were instilled in everyone at Binnewater from our recently retired company president, Diane Davenport. Her guidance, dedication and leadership over the years have made her an irreplaceable asset. We wish her years of enjoyment while traveling, skiing and chasing grandkids!

We are excited to announce the upcoming launch of the Binnewater App. This will allow you to receive delivery notifications, place orders and see new products available for delivery. You can also keep up with us on Facebook.

Looking forward into an uncertain future, you can rest assured that we will be here for you. From myself and the entire team at Binnewater, we wish you and your family the Happiest of Holidays and a Joyous New Year.

Sincerely, Marshall Gogg
